Profile

The HM Hochschule München University of Applied Sciences is Bavaria's largest institute of higher education in this field. Over 100 attractive and forward-looking degree courses lay the foundation for successful careers. Besides specialist skills, the university promotes sustainable and entrepreneurial mindsets and actions, as well as international and intercultural experiences, such as through stays abroad. The departments imbue their students with vision, creativity and a sense of shared responsibility as an ideal preparation for making a difference in their chosen professions and within society. Close contacts with companies at the high-tech location of Munich allow students to obtain practical experience during their studies. And last but not least: Munich's attractive cultural and leisure opportunities offer plenty of variety.
